

CUSTOMISED MAINTENANCE CONTRACTZZZ...

Say goodbye to sleepless nights

The best protection against unexpected failures and unscheduled downtime is regular preventive maintenance.

L&T Valves offers a range of maintenance programmes customised to meet the specific needs of your installation. Tell us your requirements and your budget - we will design a programme to enhance the safety and reliability of your plant.

You can opt for service, or service + spares contracts. What's more, you can entrust the performance of all the valves installed in your facility to us.

Please contact Somasekar NG, Manager - Global Service (+91 74790 19290) or e-mail aftermarket@Lntvalves.com

Then sit back and relax, while our skilled specialists take over, ensuring freedom from breakdowns, lower total cost of ownership (TCO) and peace of mind.

For all Aftermarket support, please contact us at aftermarket@Lntvalves.com
